Garbage Franchise Hearing August 14

Directors of the Central Contra Costa Sanitary District last week set the night of August 14 as the date for a discussion of the controversial garbage franchise proposal.

The special public hearing will be devoted entirely to the proposed garbage franchise plan and will begin at 8 p.m. in the board's office at 1822 Mt. Diablo Blvd.

A request for a special hearing on the proposal came from Martinez Attorney Sam Hall who represents garbage collection firms in the Orinda, Lafayette and Walnut Creek areas.

Hall urged the board to set a future hearing date on the issue and that the matter be "well publicized in advance" to escape the criticism leveled at the board in past action.

Early last month four of the five board members approved a proposal calling for a garbage franchise plan in the Central Contra Costa Sanitary District.

One week later, amid a barrage of protests from individuals and improvement associations throughout the district, the board rescinded its action setting up a plan for letting out a franchise on garbage collection in the area.

Hall, in calling for the special meeting, emphasized that the measure should be held so all views could be presented at the same time, and the district board could make a final decision on whether to regard it as a live or dead issue.

Dick Mitchell, president of the Gregory Gardens Improvement Association, asked that the board delay the meeting for "60 to 90 days" since many of the improvement groups only meet once a month, and some are relatively inactive during the summer months.

Following action by the board to hold a special hearing August 14, Mitchell announced that the Gregory Gardens Improvement Association would hold a special meeting July 14 to discuss the garbage proposal.

Members of firms seeking a franchise proposal for garbage collection in the area are scheduled to attend the meeting and participate in the discussion.

In addition the association will discuss the issue at its regular meeting, August 4.

Officials of the Parkmead Improvement Association announced the garbage franchise will be discussed at a regular meeting next Monday night at the Coast Counties Gas Building auditorium in Walnut Creek.

Guest speaker for the evening will be John A. Nejedly, attorney for the Sanitary district. He will discuss the proposed franchise proposal.

Malott Proposal Being Checked

William Malott, one of the five directors on the Central Contra Costa Sanitary District Board, this week told the SUN that a measure being drafted by him that would forbid any business transactions between members of the board and contractors doing business with the sanitary district is being checked by a member of the district attorney's office.

Malott three weeks ago started drawing up the "resolution or ordinance" for presentation to the board. It would prohibit a contractor from buying goods or using any services on the specific contract job which were sold by any member of the Sanitary District board to the contractor.

Moraga Del Rey School Site Purchased; Trustees Set Budget, Map Bus Routes

By JULIUS ROSENTHAL

"Shape of things to come" for the Orinda School District emerged in clear outline Monday night as the district's Board of Trustees took decisive action on a number of problems.

Purchase of two school sites, adoption of a tentative budget for operating expenses, extension of school bus runs, setting of tentative boundaries for the students at the district schools next fall and hiring of four new teachers were included in the evening's action.

The board met at Orinda School. About 17 persons were in the audience.

Site purchase steps were:

1. — Passage of a resolution to buy from the Moraga Company 12.25 acres in the Moraga Del Rey section for a fourth grammar school site.

2. Signed a resolution to purchase from the East Bay Municipal Utility Distract the remaining 4.28 acres for the Sleepy Hollow School site.

BOARD PRESIDENT Edgar Stewart reported that agreement on price had been reached by the board and the Moraga Company regarding the Moraga Del Rey site — $2500 an acre, a total of $30,625. The land is on the south side of El Camino Moraga, opposite the head of Don Gabriel Way.

The board asked for a preliminary report to be made by the Contra Costa County Title Company. When this report is made, the board will pay for the property, according to Superintendent of Schools Joseph L. Sheaff.

PRICE OF THE 4.28 Sleepy Hollow acres is $6,114.28. The board had already purchased, for $16,257.13, 11.38 acres, on which the initial unit of the Sleepy Hollow School is now being erected by A. F. Stewart of Berkeley. Total area for this site is 15.66 acres; total price, $22,371.41.

The board set July 28, 8 p. m., for a special meeting at Orinda School to decide whether construction of the Moraga Del Rey School or of an addition to the Sleepy Hollow School should be undertaken first. Trustees expressed awareness of the heavy population growth coming into the Moraga Del Rey area and indicated it was likely the new school there might be started before adding to the Sleepy Hollow School.

FIRST UNIT of the Sleepy Hollow School is expected to be ready shortly after opening of the fall term in September. The frame and roof have been completed.

It is hoped that the fourth school, in Moraga Del Rey, can be ready by the fall of 1953.

Tentative operating-expense budget of $288,540 was adopted. Public hearing on the 1952-53 budget will be held August 4, 8 p. m. at Orinda School.

The final budget will also include reserves and capital outlay funds. On August 4 the board expects to decide on the tax rate, which it has not yet determined. Tax rate for 1951-52 was $1.50, with a tax limit of $1.75.

Sheaff later pointed out that assessed valuation of the district is up approximately $1,328,000, and that this fact and increased state apportionments based on averge daily attendance may provide sufficient funds for building five or six classrooms.

THE TENTATIVE operating-expense budget includes: Administration, $7160; instruction, $205,280; auxiliary service, $400; janitorial operation, $29,500; maintetnance, $3900; fixed charges, $6200; transportation, $36,000

Last years operating budget of $198,930 included $136,190 for instruction and $20,500 for transportation. Addition of 14 new teachers, salary increases for teachers and increase of transportation costs account for the upped budgets in these two decisive categories, it was explained.

THE BOARD GRANTED a request of residents of Overhill Road from Moraga Highway to Tara Road for rerouting of bus service to include that section, to serve some 35 youngsters attending Glorietta School.

A request from Roberts Road residents, at the end of Glorietta Boulevard, to have the bus route extended along Glorietta from Overhill to Roberts was taken under advisement by the board. A decision was promised for August 4. Some 15 persons had signed a letter asking the extension and expressing concern that kindergarten and first grade pupils must walk about three-fourths of a mile on Glorietta Boulevard to Glorietta School.

The trustees stated they wished to study the matter further, to see if they could decide on a routing which would take less time.

Faced with a recommendation by the Acalanes transportation department that the run up Crest View in Moraga Del Rey be dropped because larger buses are to be used in that section, making the turn-around difficult, the board put off until August 4 a decision on Crest View transportation.

BOUNDARIES for the three school areas, when the Sleepy Hollow School opens, were tentatively set as:

Sleepy Hollow School — all kindergarten through fourth grade pupils on the northeast side of Orinda Highway up to Miner Road (including Charles Hill, Miner Road, Sleepy Hollow area, Las Vegas, La Espiral, Camino Sobrante and Camino Don Miguel).

Glorietta School — all kindergarten through sixth grade youngsters living on the Moraga side of the Crossroads.

Orinda School — All other pupils in the district, kindergarten through eighth grade.

Prior to opening of the Sleepy Hollow School, children who will attend that school will go to Orinda School.

SHEAFF REPORTED that 1951-52 average daily attendance in the district was 1225, as against 924 for 1950-51 — an increase of 301, or about 32 per cent. Total district enrolment on the last day of school was 1262.

Four new primary teachers (through third grade) were hired— Mrs. Hallatt Collier, a Stanford University graduate; Mrs. Mary Thom, a teacher in Richmond last year; Verna Flesner, who taught in Bakersfield last year, and Mrs. Marilyn Kauffman, who has been teaching in San Francisco.

Democracy Is Doomed, Cross Warns, Unless . . .

Mayor Laurence Cross of Berkeley adressed members of the Orinda Rotary Club during their weekly meeting Wednesday at Orinda Country Club.

Mayor Cross spoke on "A Minister in Politics," but announced his speech had a sub-title, "Democracy Is Doomed."

"Unless Democracy gets higher type, better trained individuals who desire to be in public office, democracy is loomed," he said.

Dr. Harvey B. Lyon Jr. was program chairman for the meeting, which was conductetd by President Leighton MacGregor.

Next Wednesday's meeting will have a guest speaker who will talk on international affairs. The meeting will be held at the Willows, which has been closed during the last two Rotary meetings.

Weather Man Has Trouble Making Up Mind

Old Man Weather has had trouble in deciding just what type of weather is best for Orinda.

For the week of July 3 through Wednesday, the hottest day was July 3 when thermometers reached 95 degrees. The coldest day for the week was Sunday, with 50 degrees reported.

Last year during this same period, the hottest day of the week was only 75 degrees, while the coldest was 45.

There was no rain reported during this past week in this area.

Smitten Resigns As Director of Sanitary Board

Veteran Central Contra Costa Sanitary District Board member Col. H. M. Smitten last week surprised members of the board of directors when he announced his resignation as a "director" on the board.

Smitten's action has initiated much speculation as to appointment of a successor to fill the vacancy. Smitten, a Lafayette resident, has participated in district deliberations since its early construction days.

SMITTEN WAS ASKED to delay the effective date of his resignation until convening of the board's next meeting, July 24.

Smitten, however, will remain as secretary of the district.

Chairman Elliott Johnson and Directors Hal Toland and R. E. Wadsworth expressed regret at "losing the fine services" of Col. Smitten as a director.

WHILE SMITTEN stated his resignation stemmed from reasons "with which the majority of the board is familiar, I hereby tender my resignation as a director, to take effect immediately," it was believed the action was partly due to weariness with public criticism and harange attending some of the board's actions during the past year.

The terms of Col. Smitten, Toland and Wadsworth as directors end this September when an election will be held. Johnson and William Malott are holdover members, having been elected in September, 1950.

'A Long Wait' — Kim, Yoon Joong Here from Korea

"Glad to see you . . .happy to be here . . . it's been a long wait."

Those were the first words of 16-year-old Kim, Yoon Joong, Korean youth, as he spotted Victor Beauchamp on the President Wilson as it entered San Francisco Bay Tuesday night.

Beauchamp, of 54 Davis Road, Orinda, boarded the ship in San Francisco Bay, and Kim recognized him almost at once from pictures he had. When the boat landed, among a throng of well-wishers and a score of reporters, Kim rushed into the waiting arms of Mrs. Beauchamp. His limited English made him strain to put his feelings into words, but Kim managed to express his deep thanks.

"IT IS NICE TO BE HERE," he told reporters. "Korea is all war."

When they crossed the Bay Bridge, Kim mentioned the fact that they have bridges in Korea, "but nothing like this," he added with a grin.

As he passed through the streets of San Francisco and Oakland, Kim noticed the homes of different type from those found in Japan and Korea. Things taken for granted impressed Kim deeply.

After the excitement of the evening, Kim slept soundly through his first nights sleep in America.

KIM IS NOW staying with Mr. and Mrs. Beauchamp, who brought him to America as a memorial to their son, Victor, who was killed in Korea. The Korean youth has no plans for the summer as yet, but will begin his formal American education at McKinley Continuation School in Berkeley in the fall. He now speaks Korean and Japanese, and some English.

Kim arrived after much governmental red tape had been overcome. He had to take various tests, medical examinations, and had to have his family history checked to see if any members of his family had been communist sympathiers. After getting the government's O. K., Kim flew from Pusan to Tokyo, and then to Yokohama, where he boarded the Wilson.

Kim first met Victor Beauchamp Jr. when he served as an interpreter and stretcher bearer for Victor's company in Korea. It was Victor who first suggested the possibility of bringing Kim to America for an education.

Even Ginger, the dog that grew up with Victor, seems to wag his tail happily at having Kim "home" at last.

Rick's Liquor License Hearing Not Yet Set—Bohn to Represent Area Objectors

Hearing on the application for on-sale general liquor license for a detached bar planned for back of Rick's Drive Inn, near Acalanes High School, may be held the latter part of this month or early in August, J. W. Soares, in charge of the Oakland office of the State Board of Equalization, stated this week.

"The board, in Sacramento, has not yet set a hearing date," Soares said Wednesday. "Interested parties will receive 15 days' advance notice of the hearing, so it looks as if the hearing may not be held until later this month or early in August."

THE HEARING will be held in Justice Court at Ferry and Escobar in Martinez, Soares said. The Equalization Board uses this courtroom as a hearing room.

Soares reported that there have been "numerous" protests to the application of A. R. Bliesner and Helen Groves, owners of Rick's Drive Inn, as general partners, and C. J. Garibotti, owner of the property, as limited partner.

"Ample notice will be given of the hearing," Soares stressed. "Witnesses will have to be subpoaened."

JOHN BOHN of Lafayette, well-known San Francisco attorney, will represent this area in protests at the hearing. He said this week that at the request of objectors he volunteered his legal services, without charge.

"I told them I'd be very happy to do this, as a community service," Bohn said.

"I have a boy at Acalanes. The spot intended for the bar is the wrong location for such an operation. It's too close to the high school. It's no place for a liquor license to be granted."

Bohn added that he is preparing a brief and that he plans to get together with interested groups, "in order to work out an orderly presentation" before the Equalization Board.

Bohn is counsel for the State Senate Judiciary Committee, city attorney for Benicia, attorney for the California Newspaper Publishers Association and counsel for the Legislature of Guam.

"As a parent I'm quite concerned over the liquor license application," he stated. "I've talked with State Senator George Miller Jr. and Mr. Soares about the matter."

ASSEMBLYMAN Robert L. Condon, in a letter to James H. Quinn, Equalization Board member from this area, stressed the danger of allowing the sale of intoxicating beverages at a location which has become an after-school meeting place for Acalanes High School students.

"It would invite violations of the law relating to the sale of liquor to minors," Condon's letter, sent Monday, read. "It is a far healthier situation to make milk shakes more accessible to school children than to tempt them with liquors."

Condon further pointed out that there are a sufficient number of bars in the area to fill the needs of the community and that another bar at the intersection of Mt. Diablo Boulevard opposite Pleasant Hill Road, where Rick's is located would only increase the traffic hazard of that accident-plagued intersection.

Condon reported later this week that he had telephoned Quinn's office and had asked about the possibility of scheduling the hearing for evening so that more people could attend it. Quinn's executive assistant replied that the hearing would have to be a daytime session.

"He indicated," the assemblyman continued, "that, since under similar circumstances an arbitrary distance of 400 to 440 yards from a school has been set by the board as a proper minimum distance for a bar and since Rick's is farther than that from Acalanes, the main thing for objectors to show would be that some sore of policing problem would exist."

Gross County Assessed Value Climbs To All-Time High, Assessor Reports

Figures released this week by Contra Costa County Assessor Justin Randall revealed the county has a gross assessed valuation of $316,-544,985, representing the highest figure in county history.

Randall reported the 1952-53 assessment roll showed a net gain of $22,763,925 over last year. The net figure after deductions of $22,752,-760 in exemptions, runs to $293,792,-225.

The City of Walnut Creek showed one of the largest percentage gains—a 20 per cent increase. Its net gain was $950,070, for a total gross valuation of $4,594,955.

In the Walnut Creek School District, excluding the city itself, the assessed value was $7,915,330, for a net gain of $1,536,160.

In the Lafayette School District, made up of two supervisorial distircts, the net assessed value totaled $10,954,985, for a net gain of $1,-450,120.

Randall reported the Orinda School District showed a net gain of $1,450,120.

Concord showed a net gain of $759,700 in its new figure of $7,-087,115.

The county's valuation for the City of Martinez was set at $10,075,010, for a net gain of $444,835.

Substantial increases in assessed valuations in several of the rural tax districts, reflecting continuation of the home building in the county, were shown to be high in Alamo, Pleasant Hill, Orinda and Danville and in the central part of the county.

Pointing to a general county growth were figures released on increased valuation in supervisorial districts.

District No. 3, in the central part of the county, showed the largest gain, percentage-wise, with a nine per cent increase in valuation. Its gross assessed value totaled $76,747,-045, for a net gain of $6,880,170.

Smallest gain recorded was in District No. 1—which includes Richmond—with a six per cent increase. Total gross valuation was $139,209,-920, for a net gain of $8,475,060.

Gains in Districts 2, 4 and 5 were reportedly eight per cent in No. 2 and seven per cent in the other districts.

Total assessed valuation of District No. 2 was $40,539,420, for a gain of $3,309,930. District 4 showed an assessed valute of $36,305,055, for a gain of $2,467,300. District 5 reported a total valuation of $23,743,545, showing a gain of $1,631,465.

In nine of the tax districts a decrease in valuation was shown as compared to 12 such districts that reported a net loss on the previous year's tax roll.

Randall said his office expects the State Board of Equalization to submit the county public utility roll later in the summer. Last year the utility roll totaled $63,601,640, which represented an increase of $12,434,-220 over the previous year.

The county assessor's office reported that exemptions for veterans showed an increase of $2,927,150.

Orinda Building Permits Issued

Building permits issued for the Orinda area by the county building inspector's office for the week ending June 27 include:

Residence addition permit to owner Mrs. Karn M. Nelson for Lot 120 at Moraga Highway and Brookside Road. Estimated cost, $3531.

Carport permit to owner C. E. Block for Lot 1, 14 Bobolink. Estimated cost, $412.

True Fish Story — Only Three Caught!

Bob Nordquist, Fred Stymans and Peter St. Hill spent the Fourth of July holiday fishing on the Feather River. They left early July 3 and drove up to the Bald Rock Forest Station. From there they hiked three and a half miles downhill to the Middle Fork of the Feather River.

It was either the fishing or the fishermen that was poor but they came home with only three fish. You can thank Bob for them. Peter said that he almost had another salmon to add to the other three, but it just got away.

Orinda Lions Roar Congrats To Barbara Stark

Orinda Lions Club members drafted a cablegram of congratulations which has been sent to Barbara Stark, who won a berth on the U. S. Olympic women's 100-meter backstroke swim team last Saturday, during their meeting at the Orinda Roost Wednesday night.

The cablegram, which Barbara will receive when she arrives in Helsinki reads:

Miss Barbara Stark,
Helsinki, Finland:

Sincere congratulations on your qualifying achievement. May winner's laurels again be yours.

Two Hurt Here In Holiday Crash

Starting the afternoon before the holiday, there were two Independence Day weekend auto accidents in the county involving Orinda people, according to the California Highway Patrol. Two of the Orindans were reported injured.

James and Edna Gardiner, both 38, of 57 Van Ripper Lane, Orinda, were reported hurt when their car, with James Gardiner driving, hit a PG&E pole on Lombardy Lane at Sleepy Hollow Lane early the morning of July 4.

Both were taken home, according to the patrol. The accident occurred at 2:40 a.m.

A Valley Scavenger garbage truck driven by Russell Alexander, 26, of Via Roble Drive, Walnut Creek, collided with an auto driven by Ann Donham, 38, of 27 Dolores Way, Orinda, at State Highway 21-24 and Geary Road on July 3. No one was injured.

The broadside-right angle collision occurred at 2:45 p.m. Ann Donham was driving west on Geary Road; the rear left side of her car was damaged. The garbage truck, going north on Highway 21-24, received front damage.

Mrs. Harvey Lyon To Open Home for Doll Exhibition

Mrs. Harvey Lyon of Woodland Lodge will open her home September 20 for a four-day exhibit of more than 700 rare dolls.

Doll collections of members of the Oakland Bay Unit of the United Federation of Doll Clubs, Inc., will be on display from 11 a.m. to 4 p.m.

On September 22, at the same hours, the dolls will be presented under the sponsorship of Acalanes Chapter, Daughters of the American Revolution.

Tuesday, September 23, the doll show will be sponsored by Ro-Ann Cradle No. 1 of the Women's Council and Booth Memorial Hospital.

Juniper Branch of the Children's Hospital of the East Bay will be the sponsoring group on Friday, September 26.

Tickets for each doll show will include a picnic luncheon served on the tennis courts and a swim in the Lyons' pool.

Mechanical dancing dolls, French fashion dolls, German dolls, Dresden dolls, Lenci dolls, paper mache dolls, wax dolls, carved wooden dolls, character dolls will all be featured in the display .

Placards will be arranged in such a way as to identify each doll so viewers will get a picture of the history and evolution of dolls in this and other countries.

Sponsoring groups plan to invite school children from Orinda, Lafayette and Walnut Creek to the exhibit, and will arrange transportation for the youngsters to Woodland Lodge by special buses.

Bower Family Back From Hawaii Trip

Recently returned from a three-week vacation in Hawaii are Mr. and Mrs. Jack Bowers of 53 Oak Drive.

The Bowers went to the Hawaiian Islands with members of the Oakland Shrine. They stayed at the Royal Hawaiian Hotel.

Poker-Ban Draft Expected Tuesday By County Board

Draft of an ordinance to outlaw draw poker parlors in "No Man's Land," unincorporated strip adjacent to El Cerrito and Richmond, is expected to be presented to the Board of Supervisors next Tuesday, according to the district attorney's office.

District Attorney Francis W. Collins told the board last Tuesday that he had received a letter from City Attorney Tom Carlson of Richmond citing Richmond's large population as the basic reason for the Richmond City Council's request for the ban in "No Man's Land."

Collins said he was still awaiting a letter from City Attorney Clifford Anglim of El Cerrito on El Cerrito's reasons for desiring the ban, and that he expectetd to present the ordinance draft next Tuesday.

The supervisors, when they instructetd Collins to draw up such an ordinance last week, specified they were merely seeking information for further study and that they were not committing themselves.

El Cerrito and Richmond representatives were joined by Ralfe Miller, representing the Lafayette Improvement Association, in asking action against draw poker parlors. Miller asked that the ordinance be extended to include Lafayette, and he recalled last year's unsuccessful effort by the Lafayette improvers to get the county to take action.

Did Train Scare Cow — Or Was It Vice-Versa?

Maybe the shock of seeing that two-car Sacramento Northern excursion train last Sunday was too much. We'll never know. Only the cow does — and the cow isn't talking.

At any rate, the Bay Area Electric Railroad Association's special one-day train pulled to an emergency stop just west of Burton Station in Lafayette when a cow stood pat on the track. The 100 passengers looked at the cow, and the cow looked at them.

When the cow finally ambled off the track, the train proceeded. But the cow raced the train for over a half-mile.

The rest of the seven-hour round trip between Oakland and Pittsburg was uneventful, with stops for picture-taking and for lunch at Pittsburg marking the run.

One of the two cars was the one remaining S. N. car, No. 302, owned by Western Pacific. The other was No. 1005, ex-S. N. car purchased by the club last year from the Key System and restored to its original condition.

Pinehurst, Walnut Creek and St. Mary's College were among the stations at which the train stopped.

County Paints Five Crosswalks

Painting of five crosswalks and of diagonal parking areas in the Crossroads section was reported nearly completed by County Road Commissioner Victor Sauer this week.

The markings had been requested by the Orinda Chamber of Commerce.

"No Parking" signs in the alleyway from Moraga Highway to Davis Road, also requested by the chamber, will be put up shortly, Sauer said.

Mrs Winters Back From Convention

Mrs. Margaret Winters of Orinda recently returned from Riverside, where she attended the 42nd annual convention of the Music Teachers Association of California.

According to Mrs. Winters, all of the members of the Contra Costa Branch of the association should have been there, for it was an inspiring convention.

Concerts were held, panel discussions were presented and several modern sonatas of current composers were played during the convention.

Wood Files New Map; Hearing by Planners Tuesday

Much-debated and much-tossed about, realtor Fred T. Wood's plans for a subdivision bordering Moraga Estates, Moraga Manor and Moraga Glorietta are scheduled to come up again before the County Planning Commission in Martinez next Tuesday night.

Assistant Planning Technician Russell Griffith said this week that Wood had filed a new map "which complies with all the zoning regulations." According to Griffith, Wood's latest map shows 97 lots, none under a half-acre.

The map was scheduled for preliminary review yesterday by Planning Technician Tom Heaton's staff and County Surveyor Joseph W. Barkley's office. Griffith said he expected Harold Wise, planning consultant of Menlo Park, who has been retained by the Glorietta Improvement Association in the controversy, to attend the conference.

Indication that a large turnout may mark Tuesday's session of the planners was indicated by continued interest by the Orinda Planning Committee, consisting of representatives of a dozen local improvement organizations. Joseph Creighton, chairman of the Planning Committee and its steering committee, is in the east, and in his absence Anthony Cianciarulo is in charge of the group.

Objectors to Wood's past plans for the proposed subdivision have pointed to plans for lots of less than half-acre size in the earlier maps and to the fact that subsequent maps designated "long and narrow" lots, "with rear portions extending far up or down hill."

Install Sewers, Haciendas Urged

Haciendas Del Orinda residents along Camino Sobrante and La Espiral were urged this week by County Road Commissioner Victor Sauer to arrange for sewer connections from their homes to those streets "without delay."

Sauer said it is important to have these connections made within the next couple of weeks, before start of reconstruction of a portion of Camino Sobrante and all of La Espiral. J. H. McCosker, Inc., of Berkeley, was awarded the contract for this job last week.

"By making sewer connections now, residents will minimize later cuts in the road surface," Sauer stressed. "Arrangements should be made with the Central Contra Costa Sanitary District."

Mrs. Thomas Hession Visits Lohse Family

Mrs. Thomas Anthony Hession of New York City left for a short trip to Soda Springs with Betty Glover Lohse, daughter of Mr. and Mrs. Charles Lohse of 54 Mira Loma, Wednesday.

Mrs. Hession, Mr. Lohse's sister, arrived here June 28 with her two daughters, Vicki, 9, and Libby, 4. She has been visiting with her mother, Mrs. Charles Lohse, in Piedmont, and will return to New York in September.

Tonsils Traded For Ice Cream

Missing: One pair of tonsils. Yes, Joanne Davison, 4, had her tonsils removed last week at Permanente Hospital. She was allowed to come home the next day, Friday.

Joanne said that the best part of the whole ordeal was the ice cream they fed her.

Morrishes Move Into Their Summer Cabin

Mr. and Mrs. Kendric Morrish spent their Fourth of July holiday moving into their cabin up at Wrights Lake. Wrights Lake is about 30 miles from Lake Tahoe and is right in the middle of the Sierras.

Mr. Morrish will go back and forth between Orinda and the lake, while Mrs. Morrish will spend most of her time up there.

Many Riders From This Area Join in Junior Trail Ride

A complete roster of youngsters, all under 16 years of age, has made the seventh annual Junior Trail Ride of El Caballo Volante, junior horsemens association, now being held in the nearby hills and which will end Sunday, a gigantic success.

Junior riders, eight to 11 years of age, from this area include Jennifer Butler, Ann Matson, Valerie Pullman and Sue Hall of Lafayette and Carol Ann West, John P. Scott and Carl Craig of Walnut Creek.

RIDERS IN THE intermediate group, ages 11 to 14, include Biff Baker, Linda Pierce and Sharon Pierce of Lafayette and Dave Krueckel, Patty McSorley, Tom Biggs, Judy Larsen, Bernice Dodson, Michael Stropher and Bob Scott of Walnut Creek.

Bob Samon of Orinda, president of El Caballo Volante, heads the list of senior riders. Seniors, whose ages range from 14 to 16, also include Judy Rounds, Barry Wrigglesworth and Carol Creager of Lafayette and Judy Rugh, Barbara Cox, Karl Schroen, Carla Nelle and Sally Menges of Walnut Creek.

OVER 300 reservations were made for tonight's barbecue sunpper, when families and friends will join the riders for steaks and corn-on-the-cob. The 55-mile round trip will take the group through Clayton and up Pine Canyon on the west side of Mt. Diablo to Barbecue Terrace.

A total of 16 trophies will be awarded to winning riders. Frank Santos, Ed Caton, Dr. Bob Dullum, who will act as veterinian, and Bill Hardy, who will act as horseshoer, will be judges during the ride.

A $325 Olsen Nolte saddle will be awarded the junior group for the benefit of a worthwhile children's public service.

Schwart To Speak At USNR Meeting

Lieutenant Commander Harry Schwartz will speak before the United States Naval Reserve Volunteer Composite Unit 12-25 Tuesday night at 7:30 at Acalanes High School.

Schwartz will discuss foreign economic problems.

Schwartz is a graduate of both the University of California and the University of Pennsylvania. He heads the research department of the Federal Reserve Bank in San Francisco, and is president of the San Francisco Chapter, American Statistical Association.

Damage Repaired; Girl Scout Camp Opens as Planned

Diablo Valley Area Girl Scout Council's Sierra Woodland summer camp opened as scheduled yesterday afternoon, following last weekend's completion of repair work of winter damage.

For the past two weeks, "work weekends" have been held. Complete cooperation of merchants and families during this time, enabled the camp to open on time.

Mrs. H. R. Westlund and Mrs. Robert Evans helped organize the work parties.

Choral Group Holds Surprise Party for The C. Guldagers

Mr. and Mrs. Clinton Guldager of Hillgrade Avenue were all ready to leave for the home of Mr. and Mrs. Philip Simmons in Lakewood where they were to have dinnenr and spend the evening, when the door bell rang and in walked Mr. and Mrs. Simmons followed by other members and their husbands of the Diablo Valley Choral.

Once again Diablo Valley Choral members had staged a surprise and had arrived with tables, food and utensils and before long the coffee was boiling, the tables were set up and the call was "Come and get it."

The surprise was a farewell party fo rthe Guldagers who are leaving the first of August for New York and then on to Europe for a several months trip.

Choral members presented the Guldagers with a Travel Log Book to keep a record of their trip.

The remainder of the evening was spent playing games.

Besides Mr. and Mrs. Simmons, the following choral members and their husband were present to wish the Guldagers bon voyage: Mr. and Mrs. Carl McCoy, Mr. and Mrs. George Hoffschneider, Mr. and Mrs. Ted Ramsing, Mr. and Mrs. Philip Fletcher, Mr. and Mrs. Ted Lassagne, Mr. and Mrs. Tony Freitas, Mrs. W. Plans Completed For Art Group's Swim Pool Tour

Swimming pools to be included in the August 3 tour of Outdoor Art Shows, Inc., will be in Orinda, Lafayette and Walnut Creek, according to Mrs. Ray Garrett, chairman of the Artists Market volunteers arranging the benefit.

The recently completed pool of Mr. and Mrs. Henry J. Kaiser on Pine Lane, Lafayette, will be among those opened to ticket holders, as well as the pool at Woodland Lodge belonging to Mr. and Mrs. Harvey B. Lyon. Mr. and Mrs. Forrest Englehart of Danville have offered their pool, as have Mr. and Mrs. Hall of Lafayette.

PREVIOUSLY announced pools to be included are those of Dr. and Mrs. Jack A. Abbott, Mr. and Mrs. Richard Perrin Graves, Dr. and Mrs. John M. Ellis, Mr. and Mrs. Vad Jelton and Mr. and Mrs. Jack Noble. All of the pools may be visited, and refreshments will be available at the Artists Market, 1045 Stuart Street, Lafayette, as well as directional maps, at the beginning of the tour.

Hours of swimming will be from 2 to 6 p.m., and a buffet supper will climax the afternoon of swimming with the purchase of an additional ticket. Tickets may be obtained at the Market.

HOSTS AT THE Artists Market August 3 will be Mr. and Mrs. Frank Brown and Mr. and Mrs. Michael Czaja. Czaja is director of the Fourth Annual Art Fair which shares in the benefit, with the Market. His one-man exhibit of paintings is now being shown at the Market.

Beginning August 3, the second one-man show to be offered by the Artists Market will be 30 paintings in oil and tempera by Leonard Brooks, noted Canadian artist and teacher. A preview of the exhibit will be held for ticket holders for the tour.

Members Return From Meeting

Contra Costa Real Estate Board President Harlan Geldermann and Past President A. J. Johnson recently returned from the first Western Industrial Conference at the Biltmore Hotel in Los Angeles.

The conference was held on June 19, 20 and 21.

Geldermann expressed hope an Industrial Committee for the Contra Costa Real Estate Board could be established to act as a liaison with the Contra Costa Development Association in an attempt to entice certain light industry into the area covered by the board.

The Board of Supervisors announced appointment of Geldermann and Johnson to serve on certain citizens committees which are attempting to recommend changes in zoning ordinances as well as establishment of a countywide program for sewage disposal and water pollution.

Christian Science Sermon on Sunday On S'acrament'

The subject of the Christian Science Lesson-Sermon for Sunday, July 13, will be "Sacrament," with the Golden Text taken from the 116th Psalm:

'What shall I render unto the Lord for all his benefits toward me? I will take the cup of salvation, and call upon the name of the Lord."

The sermon will also include these verses from the 139th Psalm:

"Search me, O God, and know my heart:
Try me, and know my thoughts:
And see if there be any wicked way in me,
And lead me in the way everlasting."

Correlative to these verses, the following passage will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

If we feel the aspiration, humility, gratitude, and love which our words express, — this God accepts; and it is wise not to try to deceive ourselves or others, for 'there is nothing covered that shall not be revealed'" (p. 8).

County's State Fair Exhibit Readied

A replica of a stone house built in 1856 by John Marsh, first settler of this county, will be featured in Contra Costa County's exhibit at the California State Fair, which is to be held August 28 through September 7 at Sacramento.

As part of the background there will be a mural, nine by 14 feet. Five Spanish figures, representing an early family, will be seated around a table in the foreground. On one side a turntable with flowers and a waterfall will be reproduced. Two trellises decorated with vines of delicious grapes will complete the construction.

FRUITS OF THE county will be displayed against the background, which will show Mt. Diablo in the distance.

Iona Booth, manager of the Contra Costa County Development Association, is director of the exhibit, which is being constructed by Bill Dabelstein.

A CONTEST HAS been started to discover the largest native-born family in California. Rules are that each competing family must be a complete unit and both the parents and children of first generation must reside in California and must have been born in this state.

Letters of entry should list the name, address, birth date and birthplace of each family member, and should be sent to fair officials as soon as possible.

Some 40 features have been scheduled for the special events program of the State Fair. Days have been set aside for counties and organizations, group luncheons and free entertainment which will be provided for the expected scores of thousands of visitors.

McCreary Speaks To Camera Club

John McCreary, president of the Northern California Council of Camera Clubs, addressed members of the Contra Costa Camera Club during their meeting Tuesday night at Orinda Community Church.

McCreary spoke on the aims and aspirations of the Northern California Council of Camera Clubs.

Monthly print competition of the Contra Costa club will be held July 22, it was announced, with Ben Randall acting as judge.

Agriculture College Appointments Made

Appointment of Stanley B. Freeborn as provost for the Davis campus of the University of California has been announced by President Robert Gordon Sproul. Freeborn was formerly assistant dean of the College of Agriculture, assistant director of the Agricultural Experiment Station and Professor of Entomology.

At the same time, President Sproul announced appointment of Knowles A. Ryerson as dean of the College of Agriculture, Berkeley campus, assistant director of the Agricultural Experiment Station and professor of horticulture. Ryerson was formerly assistant dean of the College of Agriculture at Davis, professor of horticulture, and horticulturist in the Experiment Station.

Medical Auxiliary Installs Officers

Installation of new officers was the main business of the day for the Contra Costa Medical Auxiliary when they met for the June meeting at El Nido.

Mrs. Martin Mills of Richmond, a past president, read the installation service to Mrs. Charles Hart, president, Walnut Creek; Mrs. George Kline, first vice-president, Concord; Mrs. Albert Greenberg, second vice-president, Richmond; Mrs. Ralph Douglas, treasurer, Richmond, and Mrs. Gordon Van Nuys, recording secretary, Walnut Creek.

The members were entertained by an exellent reading of Somerset Maugham's play "The Contsant Wife" by Mrs. Ivan Ihm.

Femineers Meeting

Mrs. Warren Gibbs, a creative writing teacher, will speak before the Femineers' regular monthly luncheon meeting Wednesday, 12:30 p. m., at the Elks' Club, 456 Powell Street, San Francisco.

The organization is an auxiliary to the American Society of Civil Engineers and the Structural Engineers Association of Northern California.

Carnhill Named Farm Advisor

Appointment of John Carnhill, a member of the 1952 graduating class at the University of California at Davis, by State Extension Director J. Earl Coke to serve as a University of California farm advisor in the Contra Costa office of the Agricultural Extension Service is announced by County Extension Director R. E. Goble.

The new farm advisor, whose appointment became effective July 1, is no stranger to Contra Costa County. Many farmers will remember him as having worked in the Extension office during the years 1947-1950 as a senior superintendent of cultivations. During that time he had charge of the planting, caring for and harvesting of many test plots and experiments conducted on the farms of the county by the Farm and Home Advisor's office.

Carnhill resigned in September, 1950, and entered the university at Davis, from which he received his Bachelor of Science degree in Agriculture last month.

Jessel Show Set For July 18, 19

George Jessel, famed stage, screen and radio star, will appear in person next Friday, July 18, and Saturday, July 19, headlining his "All Star Variety Show of 1952" at the Berkeley Community Theater.

The Jessel show will be the first of a series of outstanding stage attractions planned for presentation quarterly by the Berkeley Junior Chamber of Commerce, with all proceeds going to the Junior Chamber's Civic and Youth Program Fund.

Reserve Promotion Plan Announced

Reserve officers, with active duty after June 26, 1950, in a temporary grade higher than their premanent reserve grade but who do not meet time-in-grade requirements, will be tendered a temporary appointment in the grade held at time of separation from active military service for purposes of completing the foregoing requirements.

A reservist can be promoted to the next higher permanent grade in the Air Force as soon as he completes time-in-permanent grade requirements.

Major Justin Knowlton, commanding officer of the 9441st VAR Sq. in Walnut Creek, stated California reservists who wish to obtain further information may write direct to Fourth Air Reserve District, 870 Market Street, San Francisco.

A new criterion for promotion of Air Force Reserve officers who served on active duty after June 26, 1950, in a temporary grade higher than their permanent reserve grade was announced today by Headquarters Fourth Air Force, Hamilton Air Force Base, California.

To qualify for reserve promotion to the next higher permanent grade, such officers must meet time-in-present-permanent-grade requirements of: three years as second lieutenant; or two years as first lieutenant; or four years as captain; or four years as major; or three years as lieutenant colonel.

That the work proposed to be done in Oak Arbor Road as described in said Resolution of Intention be deleted, to-wit:

OAK ARBOR ROAD from its eastern extrimity at its intersection with Miner Road, to MH 33 to be located in Oak Arbor Road 130 feet northwesterly, measured along its center line, from said eastern extremity.

That the easements in Lot 18 (Parcel 147) and Lot 19 (Parcel 146) as described in said Resolution of Intention be deleted and the following substituted therefor:

EASEMENTS, IN LOT 18 (Parcel 147) and in Lot 19 (Parcel 146), combined, of the aforesaid Fairway Acres, being a strip of land 5 feet in width the center line of which is described as follows:

Beginning at a point on the northern line of said Lot 19; said point bears south 84° 40' east, 116.37 feet and south 68° 46' 15" east, 52.91 feet from the northwestern corner of said Lot 19; thence from said point of beginning south 0° 25' west, 71.37 feet; thence south 40° 48' 28" east, 15.96 feet; thence south 53° 31' east, 51.97 feet; thence south 28° 27' east, 142.06 feet; thence south 27° 05' east, 216.30 feet to the eastern boundary of Miner Road.

The addition of easement in Orinda Union School District property, Parcel 154 to said Resolution of Intention, to-wit:

EASEMENT (Parcel 154), in Orinda Union School District property being a portion of the Rancho El Sobrante, being a strip of land 5 feet in width the center line of which is described as follows: Beginning at a point on the west line of the aforesaid Sleepy Hollow, Unit No. 3, said point bears south 4° 41' 51" west, 21.7 feet from the southwest corner of Lot 264 of said Sleepy Hollow, Unit No. 3; thence from said point of beginning north 82° 18' west, 20.2 feet; thence north 4° 41' 51" east, 38 feet; thence north 49° 41' 51" east, 5.6 feet.

That such work be done in the manner provided in Revision No. 1 Local Improvement District No. 22, and the specifications therefor heretofore adopted. Be it further proposed that the Assessment Diagram for said Local Improvement District heretofore approved shall be modified to show the changes herein set forth.

FURTHER RESOLVED, that the 24th day of July, 1952, at 8:00 o'clock P. M., is hereby fixed as the day and hour and the meeting place of the District Board of the Central Contra Costa Sanitary District located at 1822 Mt. Diablo Boulevard, Walnut Creek, as the place when and where any and all persons having any objections to the aforesaid proposal to amend said Resolution of Intention may appear before said District Board and show cause why said proposed amendment should not be adopted, and written objections to the proposed modifications may be filed with the Clerk by an interested person at or before the time set for the hearing.

FURTHER RESOLVED, that this District Board hereby directs the Clerk to give notice of the time and place of the aforesaid hearing by publishing the same once in the ORINDA SUN; said publication shall be made at least ten (10) days prior to the date herein fixed for the hearing on the proposal to amend said Resolution of Intention.

PASSED AND ADOPTED this 3rd day of July, 1952, by the following vote:

Sermon by Fowler Sunday Morning

At the 10:30 a.m. service at Orinda Community Church, Ray Fowler will have as the subject of his sermon, "Attack and Acceptance."

Last Saturday 14 members of the Pilgrim Fellowship returned from a week's vacation at Cazadero Camp. There they enjoyed a program of worship, recreation and fellowship with youth from other parts of Northern California.

Psalm 139 Basis Of Sunday Sermon

With his sermon based on Psalm 139, the Rev. Dr. Charles F. Whiston will speak Sunday on "God the Omiscient" at 8:45 a. m. for St. Stephen's Episcopal Church at the Orinda Community Church building.

Guest organist will be Mrs. T. J. Fahay of Orinda, who will accompany the singing of the congregation. There will be no vocal soloist at this meeting.

TYPICALLY WESTERN activity marked the first group gathering on the new St. Stephen's property which is slated to be the site of the first Episcopal church in Orinda, when six members strung 1000 feet of wire around the nine acres to keep of cattle. Last Saturday, Jim Brown, Walter Christie, Bob Moorehead, Jack Thies, Bill Maddock and Harold Doane volunteered their services, and labored under the broiling sun in true range-riding fashion.

Picnic lunches were brought by their wives, and late in the afternoon the group adjourned to the Christie swimming pool for a refreshing dip.

PLANS ARE BEING made by the St. Stephen's Womens Auxiliary to have an ice cream bar at the annual show sponsored by Outdoor Art Shows, Inc., which will be held on the grounds of the Charles, Harmon and Peter Howard homes in Walnut Creek on September 5, 6, 7 and 8. The show heretofore has been held in conjunction with the Walnut Festival, but this year will be a separate event.

Committees will be formed within the Women's Auxiliary to handle arrangements for the enterprise.

Guild Night at Straw Hat Show Full of Laughs

By CARRIE BROWN

Guild Night for the Straw Hat Theater performance of "No Worse For Wear" at Lafayette Town Hall June 30, was a rollicking success. The quips, the pantomine, the songs and, above all, the actors' facial expressions kept the house-packed audience literally rolling in their seats.

A sound recorder might have registred where applause was heaviest but it seemed that "Travel is SO Broadening" brought down the house, with the "Leading Question" a close second. There was variety in the satire and humor of the other numbers, all coming on so swiftly and smoothly that there was hardly time to catch one's breath between laughing and applause.

The quiet, tender ballad, "In the Twinkling of an Eye," sung by Carol Brun, was another mood the versatile cast evoked.

The second act kept up the pace with its all-star cast, including the two clever pianists, putting into their acting and expressions an extraordinary amount of emotional intensity, matched only by the enthusiasm and appreciation of the applauding Orinda audience.

At Balboa Island

Lance Barden, Steven and David Meyer spent last week at Barden's parents' home on Balboa Island. They had fun swimming, boating and fishing. On their return they brought back a house trailer, a gift to Steven from his grandfather.

Cabin Cruiser Explosion Perils Fishing Party

Three couples narrowly escaped death over the Independence Day weekend when the cabin cruiser, African Queen, owned by Mr. and Mrs. Joseph Wineroth of 47 Orchard Road, Orinda, exploded and burned in the San Joaquin River, four miles east of Antioch.

The explosion occurred last Friday shortly after the party had left for a day of fishing. The gas engine of the boat exploded, flames enveloped the craft, and the Wineroths and their guests were forced to leap overboard and swim to shore.

Mr. and Mrs. Leland Spiegelman of San Francisco and Mr. and Mrs. Harvey Clar of Oakland were with the Wineroths on board the cruiser when the accident occurred. Wineroth and Clar escaped injury, while the other four were treated for minor burns at Antioch Hospital.

About our happy Country Folks

By MARIAN BOTTOMLEY

Guest Columnist

ONCE AGAIN, ROMANCE HAS ROBBED the United Air Lines of one of its lovely hostesses. Gwynnn Bowron, daughter of the Arthur Winfrey Bowrons of 525 Miner Road, was married to Harold Alan Mtnzies of San Francisco at Santa Maria Church on June 22.

The Bowron garden and home, where the reception was held, were a picture of beauty, with blue and white predominating throughout. One of the bridesmaids was Orindan Clare Breuner (rehself a bride-to-be), and Johnny Bowron served as an usher.

Mr. Menzies, of the Class of '51 of California, plans to finish his second year of graduate work at Stanford University. The newlyweds, now motoring through the Northwest and Canada, have taken an apartment in Palo Alto, where they will live in the fall.

AND NOW TO CATCH UP on vacationers.

Kay and Norm Rotermund heard the mountain call and spent a weekend at Lake Tahoe with San Francisco friends. Yes, it rained all day that Saturday! And now they have two charming houseguests: granddaughters Karen, 3, and Marsha, 1½. Grandson Greg is away on a holiday with his parents. Things will not be dull around 1050 Pine Lane for the next 10 days, and Kay will not be spotted having a birdie on the eighth for the duration.

The Leon Woolseys, the Harold Martins and the Win Bowrons took a little weekend leave, too, and spent that same rainy weekend at Etna Springs.

Marian and Frank Fee and son Jackie have taken the Beckett cottage at Tahoe for two weeks. Lucia and Harrell Ward weekended with them over the Fourth.

The Frank Dunns have also rented the cottage for the last week in July and the first week in August.

Elie and Jim Sharp and daughter Cherie are planning a two-week holiday in our beloved Hawaii Nei in September to coincide with the Stock Exchange Convention. They will stay at the new surfrider and fly both ways.

REDDY FOX IN ORINDA. Imagine the surprise of Mrs. Roy Adams of 51 Los Altos when she glanced out of her living room window in mid-afternoon and saw a full grown red fox on her lawn.

Foxey didn't stay long; he sauntered down the hill, met a deer and off they went together.

Eve and Roy plan to spend two weeks at Glenbrook with their friends and ex-Orindaites, Milly and Walter Wood. Son Stephen Wood, now a sergeant in the Air Corps in radar, will spend part of his 30-day leave with them at Tahoe, before leaving for Korea.

OH, FOR A DULL MOMENT is the themesong of Jessie Camp. Recently they attended a celebration and luncheon sponsored by the California Historical Society in honor of the Spaniards coming to the lake where Mission Dolores now stands.

Dr. Camp, the guest speaker, spoke on the Spanish and Russians meeting in San Francisco.

Now she is readying their house for Mr. and Mrs. Harry Reid of Palm Springs, who have taken it for six months. Mr. Reid is a contractor, building homes in Vallejo.

Dr. Camp has been busy, too. He is publishing his book, "Plains and the Rockies," a story of pioneers, mountain men and trappers who have left diaries and manuscripts. The doctor has contacted private libraries and people all over America in this research and plans to pay them a flying visit this summer.

His second book, half in poetry and half in prose, titled "Earth Song," has been published by the University Press and is to be released this month. It tells of the cycles of the world; the ice age, the age of volcanos, and of the coming of reptiles and man.

During Dr. Camp's absence, Mrs. C., Patsy and Roddy, will stay with Jessie's brother in Santa Barbara, with a camping trip to Yellowstone in the offing.

Likewise on the busy side, but in a different field, daughter Nancy is rehearsing to sing with two other girls, accompanied by Michael Stern, well-known violinist, at the Beverly Hills Hotel. None other than Lotte Lehman herself heard Nancy sing in Santa Barbara and his since offered advice and encouragement.

THOSE WHO REMEMBER the Winston Hagens when the moved out from their Long Island home to Orinda during the last war will be interested to know that their Christine had her debut in June in New York.

SCHOOLS AND CAMPS are occupying many young people this summer.

Warner North, the two Freeman boys, Allen Shapiro and Rickey Davis are among those at "Skylake" at Tahoe Valley.

The Probert School has attracted Clay, Stevie and Alan Sorrick and Peter Lamb.

A greater number in the teen-age group have also been "attracted" to Tech High, some of whom are Chuck and Peggy Gompertz, Dawn and Allen Bottomley, Holly Stern, Kim Wilkin, Ben Randall, Tom Higgins, Janet Johns, Brad Johansen, Tom Klement and Lynn French.

THOMAS H. GENTRY, son of Mr. and Mrs. H. W. Gentry of 54 La Campana, received his commission in mid-June from the University of California in the United States Air Force Reserve.

He and John S. Lynd, son of Major General and Mrs. William Lynd of 41 Claremont Road, were among the six out of 1700 who were given their commissions as second lieutenants. Tom has one more year before completing his course in civil engineering.

Tom's 48-cubic-inch hydroplane, "Little Mixer," self-built of birch and spruce plywood with a Crosley motor, took a third place (and a handsome trophy) in the annual Jouly Fourth Lake Merritt Speed Boat Regatta. Tom is planning to race in the Seattle Gold Cup races in late August.

THE RED CROSS BANDAGE ROLLERS who worked together during World War II at the Harold Martin's on Linda Vista meet each Tuesday at the Gentry swimming pool for a day of relaxation.

Each "gal" brings her own sandwich, and the generous Mrs. Gentry dispenses tea, soffee and cokes. Honor guest last week was two-year-old Carol, daughter of the Gordon Martins' and granddaughter of "Bea" and Harold Martin.

Happy Birthday to You

KATHY GRAH

Kathy Grah celebrated her fifth birthday on June 30. Her guests included Susan Gregg, Sherill Locklin, Joanne Boysen, Douglas DeCosta, Jorene DeCosta, Nancy Irwin, Robin Arnot and Kathys sisters, Nancy and Mary Ellen, and her brother, Buddy.

BUDDY GRAH

Buddy Grah celebrated the Fourth of July and his third birthday with a morning of play and lunch for Jorene DeCosta, David Fayram, Nancy Irwin, Carter Irwin, Robin Arnot, Jimmy Campbell and Buddy's sisters, Nancy, Mary Ellen and Kathy Grah.

Organizational Sketches

Camera Club Records Sizeable Growth Since Formed 4 Years Ago

By SHIRLEY HAWLEY

CONTRA COSTA CAMERA CLUB

Time was when people gathered after dinner for a round of cribbage or a game of quoits. But now we have a community camera epidemic, which has relegated the crib in cribbage to the nursery and the horse shoes in quoits to remnants of the horse-and-buggy era.

All of which brought into being the Contra Costa Camera Club some four years ago, under the inspiration and guidance of Wes Rhoades, CCCC's first president.

LONG-DEFERRED beginnings of the organization eventually envolved from an evening school photography class at Acalanes High School, under the instructorship of Frank A. EnEarl, of Walnut Creek.

From hearsay reports, the group was predominantly composed of greenhorn photography enthusiasts andwho didn't want to take pictures, and furthermore didn't want to show any they might have taken.

From this humble origin developed the winning camera club of the Northern California Council of Camera Clubs for last year's first place in color photgraphy.

AS CHALLISS GORE, charter member, expressed himself: "I've seen ability grow from nothing to international winnings."

Other charter members of the organization include: Dr. and Mrs. Howard E. Allen, Frank Boone, Hazel B. Benning, Fred L. Confer, Melba Confer, Peter Confer, Jackson C. Davis, A. C. Dippo, R. V. Fender, Jerry Fender, Claude H. Jackson, J. Wesley Rhoades, C. P. McVicker and Guy Spencer.

Present officers of the club are: Griff Culver, general chairman; John Lindsey, vice-chairman; C. P. McVicker, treasurer; Ed Walsch, secretary; Dick Fender, chairman of the black and white division; and Ralph Wilson, chairman of the color slide division.

THE CAMERA CLUB welcomes anyone of the area interested in photography to join and holds bimonthly meetings second and fourth Tuesdays at 8 o'clock at the Orinda Community Church.

First meeting of the month is designated for a business and instruction session; the second for regular print competition.

Print competition has been grouped according to beginner, advanced and salon black-and-whie sections — and now more recently a colr section — with qualified critics as judges.

FIRST PLACE WINNERS are awarded progressive trophies to be passed on to the next month's winner. A permenant trophy for each class division is awarded at the annual club dinner for the "print of the year," which is the winning print from among all winning prints selected during the year.

Competition may progress still further into inter-club, salon or international realms.

Aside from a few trifling incidents such as blowing fuse after fuse when "shooting" some visiting models (in the dark) and getting superimposed clouds up-side-down in print competition entries (Elvina Lindsay's) for a visiting judge, the enterprises of the Contra Costa Camera Club have been highly successful.

MOST OUTSTANDING venture of the organization has been sponsorship of an annual photographic exhibit, this year to be set up and conducted on the basis of a typical international print salon

The camera art exhibit is part of the Fourth Annual Art Fair, of Outdoor Art Shows, Inc., which will be held at the Howard home on Walnut Boulevard, Walnut Creek, September 6-7-8.

Black-and-white and color entries of the exhibit will be judged by Jack Wright from Photographic Society of America and Royal Photographic Society of England, Elmore C. Adams from Photographic Society of America and Jack Cannon, local salon winner.

COMPLIMENTARY hangings of examples of the judges' work will also be shown, in addition to an invitational jury-free display of camera club members from Contra Costa County and individual contributers, mainly from the Bay Area.

First place winners for June Camera Club competition were: beginners, Barney Helberg; advanced, Wes Rhoades; color, Dick Allman .

Sam Cohen, proponent of original expression school and chairman of the new Oakland Photographic Forum, was last guest critic for the group and judged according to an experimental "mathematical scale" to eliminate as far as possible a subjective assessment of print value. Whether this type of judging will encourage development in individual technique and be adopted as a procedure of the club, is up for

iture inspection.

PERIODIC CLUB assignments and field trips offer abundant natural and unusual picture opportunities for the trained "eye" and give early beginers advantage of finding a subject for performance. Nearby subject matters include beautiful Mt. Diablo, picturesque Mother Lode country and boat-strewn waters of the Bay and Estuary;

Bay Area scenery ranges from semi-pastoral to impressive architecture — harboring a photographer's paradise.

Headquarters of G. O. P. for Area Now Open Daily

Republican headquarters of Eastern and Central Contra Costa County is now open six mornings a week from 9 a.m. to 1 p.m. in the tower room of the Garret Building, 3565 Mt. Diablo Boulevard, Lafayette. It will remain open until the November election.

As activities increase, more volunteers will be needed to staff the office in the afternoons. Chairman Tom Slaven, Bill Krahn and Tim Timme and Secretary Kay McGuire have been placed in charge of this work by the United Republican Finance Committee.

PRIMARY PURPOSE of the office is to furnish information as well as to coordinate all Republican activities in the county except those of the Richmond area. It will expedite general organization, provide candidates' campaign materials, do important office work and answer questions of the voters.

Timme, of Alamo, working with individuals and Republican clubs, will handle Walnut Creek, the entire San Ramon Valley and the southeast section of the county. Through similar cooperation, Krahn, of Reliez Valley, will be responsible for the northeast section, including, among others, Concord, Pittsburg and Antioch. Slaven, of Lafayette, will handle the Martinez-Crockett area as well as that of Lafayette, Orinda, Moraga and the surrounding territory.

THESE WORKERS can be reached through the office, Lafayette 3121, or at their homes. They will attend meetings upon request.

The office aims to create a close association with all Republican clubs. Clubs are asked to contact the office whenever they desire information or assistance.

Annexation of 233-acre Development To Sanitary District Considered

Directors of the Central Contra Costa County Sanitary District last week indicated it would "receive favorably" the proposed annexation of a new real estate development north of Concord.

The proposed real estate development, which includes 233 acres, was submitted to the board by the Ganiats, Heraty and Rousseau combine.

Spokesmen for the proposed annexation predicted annexation of the proposed development would result in revenue to the Sanitary District of $93,000, based on a cash payment of $400 per acre.

Annexation of the development and revenue from the addition of the project to the district brought up the possibility of the added monies being used to balance the Sanitary District's $85,000 fiscal deficit for the coming year.

Terms of the annexation include, in addition to the $93,000 cash payment, installation at the combine's expenses of 9,500 lineal feet of 10-inch sewer main from the development to the Sanitary District's treatment plant near Pacheco. The line would become district property.

Directors considered possible annexation terms for another 173 acres of the Wheeler Ranch properties in Ygnacio Valley, for new home development by the same combine evolved into a board dispute and "tabling another 30 days for consideration."

The latter development purportedly would tie into district sewer mains near Geary Road and pose a possible overload problem on the lines this winter.

Directors O. K. Plan For Service In Moraga Area

A delegation of more than 15 residents from a Local Improvement District south of Moraga townsite last week were instrumental in obtaining from directors of the Central Contra Costa Sanitary District approval of resolutions instituting proceedings in Dstrict No. 26.

A division of opinion arose over proceedings with the action before the Moraga Land Company had been officially consulted over inclusion of some 34 units of its properties in the projected district.

Cost of the projected local district installation, without provision for "additional upland service area in the future" was estimated by Engineer G. A. Horstkotte Jr. at $43,900.

The disagreement stemmed from the possibility that the sewerage installation costs to the private land owners would be prohibitive without inclusion of the Moraga company properties in the project.

Contract Sewer Service Seen For Junior College

Members of the Central Contra Costa Sanitary District last week directed their attorney to begin negotiations with officials of the East Campus of Contra Costa Junior College for possible contract service to the school.

The issue came before the board again at their meeting July 3. day.

Director R. E. Wadsworth said he had conferred with the County Health officer on the Junior College sewage disposal problem at the new East Campus site near Pacheco, and with Junior College officials introduced a new motion calling for annexation of 60 acres of the Junior College site at $400 per acre, and an additional payment of $1 per student average daily attendance.

Despite the fact the sanitary district is faced with possible challenge to the constitutionality of continued collection of $1 per student on an average daily attendance basis, the board members directed Attorney John A. Nejedly to begin negotiations for possible contract service.

Nejedly was directed to negotiate with Junior College officials for providing sewer service to the campus site on the basis of a contract arrangement originally proposed some months ago, except for amending the contract to provide service to the 60 acres, instead of the 100 acres originally planned for.

Olney Protests Proposed Garbage Franchise Law

Formal protest to the proposed garbage franchise ordinance of the Central Contra Costa Sanitary District was announced this week by Bob Olney Jr., Pacheco garbage collector.

"If the Central Contra Costa Sanitary District adopts the proposal to sell an exclusive franchise, the homeowners of Contra Costa County will wake up to find their garbage bills have skyrocketed overnight," Olney stated.

"WHENEVER COMPETITION is stifled in an essential service the buyer is at the mercy of the sole supplier. The service is usually less efficient and more costly.

"I will make my protest to the district," Olney said, "because the independent small garbage collectors, such as myself, now earning their livelihood by serving the community with efficient garbage collection at fair rates will be forced out of business."

THE ORDINANCE was adopted by the Sanitary District directors a month ago, but the action was rescinded when many residents protested.

A public hearing at the district office, 1822 Mt. Diablo Boulevard, Walnut Creek, is now scheduled for August 14, 8 p.m.

Developer Board To Meet Tuesday

Directors of the Contra Costa County Development Association will meet Tuesday in their first session under the chairmanship of Dudley J. Sutherland, newly elected president.

Committee appointments for 1952-53 will be made by Sutherland. The meeting will be held at association headquarters, 838 Escobar Street, Martinez, at 7:30 p.m.

SUTHERLAND HAS announced that three dinner meetings will be held annually by the association, the first September 30. James Musatti, general manager of the Californfa State Chamber of Commerce, will be the principal speaker.

Iona Booth, association manager, announces that Tuesday's agenda will include reports from State Fair Chairman Robert Claxton of Crockett on the county's exhibit at the California State Fair; a report on highway committee activities following the passage of the $10,250,000 good roads bond issue; rapid transit plans for the county and a Taxpayers' Association request for a study of a proposed county charter form of government.

THOMAS I. ST. JOHN, an engineer who has made study of the monorail system which has been in operation in Germany for many years, and the proposed system for Los Angeles County, will discuss a plan to provide a "Skyway" monorail line affording rapid overhead passage from points in Contra Costa County to Oakland.

Other topics include setting a date for an industrial tour of Contra Costa County and a barbecue honoring heads of new industries which have located in Contra Costa County.

The highway committee report will be embraced in a statement, since H. W. Saunders of Saranap, committee chairman, and Mrs. Saunders have left for Helsinki, Finland, and the Olympic Games. They will later tour Europe.

Just think how much extra time —and money—you spend when you shop "out of town"!

STOCK CAR RACE

Longest stock car race of the 1952 season, to date, will be a 300 lap Pacific Coast summer championship scheduled Sunday, July 27, at the steeply banked Oakland Stadium Speedway, East 14th Street at 155th Avenue, according to Managing Director A J. (Mac) McGrete.

Plan Suggested In Fight Against Venereal Disease

Activation of a veneral disease control program in the County Health Department will be of great aid to the practitioner, according to the quarterly report of the Contra Costa County Health Department.

Such a program would allow the practitioner to have immediately available the means of laboratory and other such early diagnostic procedures with consultation, advice and assistance in treatment when needed, it is stated.

THIS TYPE PROGRAM would help in plugging broad health education, including an understanding of the normal body functions, recognition of disease, how it is acquired and the importance for the individual to take active steps in getting diagnosed and treated.

Programs such as this have been carried out in other communities and have had many fine and tangible results, according to the report.

AT PRESENT, the Health Department clinics are maintained in the Martinez office, at the Couny Jail, at Juvenile Hall and at the Pittsburg Health Center.

The report states: "The activities of the Health Department in promoting and assisting such as education program are one of its paramount responsibilities, and yet at the present time, in this county, something which is hardly done at all."

AMERICAN TRUST DEPOSITS

Deposits of American Trust Company on June 30 totaled $1,095,756,879.63 compared with $1,001,606,954,85 for the corresponding date in 1951.

Contra Costa's Population Now Reported 345,290

Contra Costa's population, gauged on voters' registration, is now 345,290, a gain of 46,306 over the decennial census figure of 298,984.

The more than 46,000 gain in less than two years was announced by the Contra Costa County Development Association and is based upon an accepted ratio of 2.5 to 1 in determining population from voters' registration.

"These figures indicate that we are well on the way toward sustaining a Stanford University prediction of 600,000 population in 1960," Iona M. Booth, association manager, said. "We are now making a postal survey of population and we expect that this will support the voter registration determination."

Spotlighting the Strip

By KITTY COLE

What to preface this column with? If I mention the weather, (Whew!! This is weather???) I'll be accused of having nothing better to say. If I go into politics (I like Ike), it's not original. If I write about me I'm an egotist. So let's talk about—

ORINDA WILLOWS is open again, and back from their vacation are EVE and MILT NELSON, rested, and ready to greet their many friends. This much-needed vacation has caused a slight delay in the "new idea," the NELSONS are planning for the WILLOWS, but watch this column ,and you'll be the first to know. . . . TRICIA, interpretive dancer, at PAUL'S VILLAGE, is an unusual-ity (so I coined the word) a blonde Latin. With her looks, she wouldn't have to dance, and would still be worth going to see. . . . "Play ball" is a familiar sound to JACK CAPELLE of the S.O.S. Restaurant, for he was second baseman with the Waco and St. Paul ball clubs. Played for Martinez, locally, until the restaurant's increasing business put him "out" of the game. . . . DANNY VAN ALLEN'S is one of the most attractive places I have ever seen. Decorated in a modern mode, with brown, chartreuse and red for color, bamboo furniture and a leather-covered bar. Would love to fall heir to one of the lamps that give such a warm glow at DANNY'S. Guess I'll have to brush up on my technique, I've hinted and hinted and hinted. . . . GLORIA CRAIG, songstress on the DEAN JENNINGS broadcast from the EL NIDO, was the vocal winner of the FREDDY MARTIN, Band of Tomorrow contest, did a stint with RAY ANTHONY'S Orchestra, and is currently with GARY NOTTINGHAM at the 316 Club. . . . HAL'S is synonymous with HELEN HAINES, and means the best in dining pleasure. Drive out the tunnel strip, until you see the building with the unique paint job. It's plum-colored, and serves the purpose, as you can't miss it.

I'm off and away to Lake Tahoe, but will see you next week as usual.

15-Year-Old Barbara Stark Wins Spot On U. S. Olympic Swim Team

It's off to Helsinki and thi year's Olympic Games for 15-year old Barbara Stark, daughter of Mr and Mrs. R. A. Stark of 555 Manzanita Drive, Orinda!

Timed at 1:18.5 during the Indianapolis Olympic backstroke swin trials last Saturday, Barbara qualified for the U. S. Women's Olympic 100-meter team out of the eight-girl finals.

THE RACE WAS described by Barbara's parents, who accompanied her on the trip, as the greatest of thrills. Barbara, being nervous, got off to a slow start. She was last when the other swimmers came to the first turn. Then she gained speed, and as the race ended, Barbara was less than eight inches away from Mary Freeman, the girl who came in first.

Third member of the team is Coralie O'Connor of Worcester, Mass.

WHEN SHE GOT OUT of the pool, Barbara rushed to her parents.

"Oh, Daddy," she cried, "I don't care if I came in first or second or third, if I only made the team."

Tnen they slowly began to call out he names of the winners. When Barbara heard her name, she nearly fell over with joy. Shortly after the announcement of winners, Barbara began receiving telegrams of congratulations from friends in Orinda.

A police escort took the girls' swimming team to the Indianapolis airport where each girl was given n orchid before boarding the plane for New York.

BARBARA WILL BE with the team in New York until July 19, when they board a plane for Helinki and the Olympic Games. She is expected to return home August 11.

Barbara's great victory follows her sensational swimming triumph at the East Bay Metropolitan swimming championships and the Daytona Beach, Florida, competition, where she established a new 200-yard backstroke record last April.

Barbara celebrated her 15th birthday last Sunday, the day after she placed on the Olympic team.

Nine Walnut Creek, Acalanes High Swimmers Place in Jr. Olympic Meet

Nine swimmers from Walnut Creek and Acalanes High School last weekend placed in the Junior Olympic swim meet at Fleishhacker Pool in San Francisco.

The time made by each swimmer will be forwarded to the headquarters of the AAU and compared with the times made by other junior swimmers in similar meets held this summer throughout the U. S.

National champion in each event will be chosen by the AAU.

The following swimmers qualified in the swimming competitions:

SENIOR DIVISION, age 15-16: Brooks de Laneux, first place boys' 100 meter breast stroke, time 1:20.4; Charles Knoble, first place boys' 100 meter free style, time 1:11.6; Dick Hubach, first place boys' 400 meter free style, time 5:12.1; Dick Hubach, first place boys' 200 meter free style, time 2:25.3; Sally Pedder, first place girls' 400 meter free style, time 5:55.2; Sally Pedder, first place girls' 100 meter back stroke, time 1:24.7.

INTERMEDIATE DIVISION, age 13-14: George Harrison, fourth place boys' 100 meter free style, no time. George Harrison, first place boys' 200 meter free style, time 2:39.2; Sally Freedman, third place girls' 200 meter free style, no time.

JUNIOR DIVISION, age 11-12: Corky Kiesel, second place boys' 50 meter back stroke, no time.

PEE WEE DIVISION, age 10 and under: Ned Kiesel, third place boys' 25 meter breast stroke, no time.

The above swimmers took seven first places in a total of 37 events.

In swimming competitions at Stinson Beach last Sunday, Valeria de Laneux ,alumnus of Acalanes High School, class of 1951 and now a student at Purdue, won the woman's trophy in the annual one-half mile rough water swim sponsored by the AAU. Her time was 18 minutes, 46 seconds.

FIRES EASILY STARTED

Your car may have an excellent fire rateing but just the same that is no assurance that some careless act of yours in the handling of a repair job will not result in a fire, warns the National Automobile Club.

Contour Maps To Be Prepared for Major Road Jobs

Contract for preparing topographical contour maps of four major road obs included in the recently-passed $10,250,000 county road bond issue was awarded Tuesday by the Board of Supervisors to Charles O. Greenwood Jr. of Sacramento.

The four projects, described by County Road Commissioner Victor Sauer as "among the most urgent" of the major road improvements for which the bond issue is intended, are:

San Pablo Dam Road, from the Richmond area to Orinda Crossroads — about 10½ miles.

Pleasant Hill Road, from the Acalanes Junction to Arnold Industrial Highway — eight miles.

Kirker Pass Road Extension, northeast from Oak Grove Boulevard and Ygnacioi Valley Drive — three and three-fourths miles.

Crockett to Arnold Industrial Highway — three and a half miles.

Greenwood will be paid $44,918 for preparing the contour maps.

"Greenwood is a specialist in this work," Sauer said. "The maps will be developed by an air photo contour process, and will save the county a tremendous amount of time and money."

Chess Club Wins Tourney Honors

The Diablo Chess Club showed to advantage during the recent Open Chess tournament held at Sonoma, under sponsoship of the Sonoma Chamber of Commerce.

Outstanding achievement of the club was when its champion, Bob Burger, defeated Guthrie McClain, San Francisco chess player who is in the expert class.

E. E. Edwards won a trophy in the problem-solving contest, Mrs. K. Morison won first prize by finishing first in the second women's group, and Mrs. George Schroth won second prize in the women's first group. Hugh Morison took first in his group, while Danny Van Arsdale, 15-year-old chess star, won in his group.

Other Diablo Club players at the tournament were Connor Schroth, H. G. Morison, Ray Robinson and George Winterton.

The tournament was arranged by George Kowanowski, world's chess champion.

The Diablo Chess Club's weekly meetings are held at Lafayette Community Methodist Church every Thursday at 7:30 p. m. Visitors are welcome.

New Channels Open To Men With Previous Service

The door has been opened for assignment to any U. S. Air Force base or installation for men in this area who have previous service with the Army ,Air Force, Navy, Marines or the Coast Guard, according to the local recruiting officer, Master Sergeant Bailey, 1327 Main Street, Walnut Creek.

Air Force headquarters in Washington advised the recruiting service that this could include duty with jet fighter squadrons, B-36 intercontinental bomber groups, radar and electronic units.

The Air Force now has 142 career fields which can be broken down to cover almost any type job.

Veterans are being urged to investigate their chances for one of these direct duty assignments.

In many instances, men may be enlisted in the same rate or grade held at time of their discharge from their former service. Full details may be obtained at 1327 Main Street, Room 104 of the Cameron Building or phone W. C. 9759.

Tiny's Hut Wins First-Half Honors In Walnut Creek Softball Play

Tinys' Hut, defending softball champions of last year in the Walnut Creek Softball League, appear well on their way to another pennant as they cinched first half honors in play which took place over the past week.

Tiny's Hut, under the guidance of Manager Les Lloyd, was two games out in front of the pack and had but one game to go at this writing, so win, lose or draw, they have copped the first half.

Winning the first half automatically puts them into the playoff at the close of the season which consists of three series between the winners of each half.

In the event that Tiny's takes the second half of league play they would take league honors for the 1952 season, eliminating the necessity of a playoff series

On the basis of play to date, the second half play will be a wild and wooly scramble with Tiny's rating the inside track, while the Walnut Creek Merchants, Veterans of Foreign Wars and Walnut Creek Legion appear to be top contenders.

Results of the past week of play show that V. F. W. had a big night last Monday, July 7, when they copped a win over the highly-rated Frank's Liquors of Pittsburg, 6-4, in an exhibition tilt and then tripped the Legion, 4-3.

The Legion started off in grand style when they racked up three runs on three hits in the opening frame, but Pitcher Les Frost of V. F. W. closed the gate as he allowed but two hits the remainder of the way with nary a run scoring, while his teammates scored two in the first, one in the third and one in the sixth to notch a 4-3 win on five hits.

On Tuesday, July 8, Harry Dunham of Tiny's and Ed Bill of Super Saver tangled in a pitchers' duel with Dunham striking out 11 while yielding four hits, with Bill giving up eight hits while whiffing ten.

The hitting margin gave Tiny's an 8-4 win with Bill Tyree and Frank Leintz each getting 2 for 3 for the winners.

The girls' nine known as the Walnut Creek Walnettes tangled with the Alameda Merchants in the nightcap and when the dust had cleared it was a 5-5 tie with the game called at the end of eight frames due to a time limit.

On Wednesday, July 9, the Sears Roebuck club outhit the Walnut Creek Legion 9-8, but came out on the short end of a 12-9 run score which saw Bob Bernier and Benny Strickland each having a perfect night at bat, with 3 for 3 to aid the winning cause .

The Legion played an exhibition tilt with the Concord Cleaners in the 9:15 game and appeared well on their way to another win as they went into the last inning with a 9-4 lead, only to have Jack Ogden hit a streak of wildness on the mound which resulted in five walks and when combined with two errors and three hits, resulted in five runs, tying it up at 9 all. That's the way it ended when the time limit rule was invoked.

League play for the second half starts next Monday when Sears plays an exhibition at 7:30 with the Merchants and Legion each seeking a league win starting at 9:15.

Tuesday night, July 15, finds league play at a standstill as the Merchants are in an exhibition at 7:30 and the Walnettes strut their stuff in an exhibition at 9:15.

League play resumes with a bang on Wednesday, July 16, with Super Saver of Lafayette and Sears Roebuck in the opener while Tiny's Hut and V. F. W. have it out in the nightcap.

Sears Roebuck returns on Thursday, July 17, meeting up with V. F. W. in the evening's number one game, while the Merchants show in an exhibition.

One game, of the exhibition variety, which fans are looking forward to, will be held on Friday, July 18, when Tiny's Hut hosts what is rated as one of Northern California's best when they bring the Chapel of the Oaks nine to town.

In chucker Tommie Joy the chapel has a top flight hurler who figures to hook up with Tiny's Harry Dunham, who has been Tiny's mainstay over the past several seasons with an enviable win-loss record of his own.

Golf Tournament Finals Set For This Weekend

Semifinals and finals of the 22 annual Orinda invitational golf tournament are scheduled for tomorrow and Sunday at Orinda Country Club.

In the second round of the tournament last Sunday, Gene Brown defeated Aldo Galletti, two up. Although Brown was two down on the turn, he came back four under par on the back nine to down Galletti.

By scoring five birdies and one bogie, Steve Stimac picked up the day's best card with a 36-32-68.

On the 23 hole, Frank McCann Jr. downed Bob Roos. Roos missed his chance for victory when he punched his second shot short and to the right of the green, and then followed with a weak chip shot, then missing his putt for a bogie.

Special Beagle Dog Show To Be Held July 19th

The Northern California Beaglers Club will hold a Beagle Specialty Dog Show at the Walnut Creek City Park next Saturday, July 19.

The show will get under way at 10 a.m. and is open to the public. Bench Show Chairman Mrs. Byron Jeffry reported they hoped to have nearly 100 dogs entered in the event from throughout the northern section of the state. Nearly 30 dogs are expected to be entered in the show from this area.

Lee S. Wade, one of the top authorities on beagles in the United States, will act as judge in the show.

Camp Wolfeboro On in Full Swing

Two hundred seventy-five Boy Scouts attended the first session of Camp Wolfeboro, which started the 1952 season June 26 Approximately 275 are attending the second period, which started Monday, according to Charles Wolfe, council camping committee chairman.

Camp Wolfeboro is the summer camp of the Mt. Diablo Council, which comprises the entire Contra Costa County and part of Alameda County.

The camp, which suffered snow damage from the unprecendented 21-foot snowfall of the past winter, has been restored through efforts of volunteer work parties. It is three miles off the Ebbetts Pass Highway, 95 miles northeast of Stockton, in the Stanislaus National Forest.

Fourth period, July 29 to August 9, is the only period still open for additional boys to attend Camp Wolfeboro.

Outstanding Features and Exhibits Ready for This Year's County Fair

Many outstanding features and attractions have been set for the Contra Costa County Fair, which will be held July 31 through August 3 at Antioch.

A Cavalcade of Fairs Pageant, which will show the development of the modern fair from ancient Greece times, will be presented outdoors and will have a cast of 300 actors. The production will take place Thursday, Friday and Saturday night, July 31, August 1 and August 2.

A HORSE SHOW will be held July 31 and August 1, and on Saturday, August 2, and Sunday, August 3, a championship rodeo has been scheduled.

In the home economics division, competition will be open to any resident of California. All products must be home prepared and not shown at any other fair.

Henry L. Howse, president of the fair and director of the 23rd District Agricultural Association, stated: "We have made arrangements to accommodate thousands of food exhibits which will be given equal prominence along with the indoor industrial displays."

ANOTHER OUTSTANDING feature will be the $1 admission charge. For the first time, this admission will entitle visitors to attend all the fair attractions free of charge.

Advance reservations for exhibit space have been the greatest in the history of the fair. All signs now point to the fair as being one of the greatest county fairs in recent years.
